

## **Kim Tyler**

Having spent a number of years in the corporate sector working for major organizations in their accounting, finance, and operational divisions, Kim Tyler was recently appointed CFO of The Robert R. McCormick Foundation, where she oversees the finance and information technology teams for the McCormick Foundation, which also includes Cantigny Park, its museums, and Cantigny Golf.

Kim has worked in all aspects of accounting and finance, with experience leading operations having directed facilities management, transportation, housekeeping, security, information technology, and food service departments; even serving as the interim IT Director for a non-profit that services individuals with disabilities. Kim's understanding of operations and financial management, paired with her accounting acumen, prove to be crucial assets in the non-profit space. She is actively involved in community organizations, having held board level roles for several organizations in the area; and has also closed residential and corporate real estate transactions since becoming licensed in 2006. Kim most recently served as the Assistant Vice President of Finance and Analytics for the Federal Reserve Bank of Chicago.

Kim is a native Chicagoan, receiving her formative education within the Chicago Public School system, as well as undergraduate and graduate degrees at the University of Illinois (Urbana) and Northwestern University, respectively. In addition, Kim has earned her CPA license and is a licensed Real Estate Broker in the state of Illinois.
